# 1. Fell Runners Association – Annual General Meeting August 2018

## 2. Treasurer's Report.

The overall result in 2017 was a net income of £17.1k, compared with £21k for 2016. This reduction in net income of £3.9k resulted from an increase in income of £1.7 with an increase in expenditure of £5.6k.

The FRA continues to make a small net income, which will reduce over time as our costs increase. However no increases in subscription rates are anticipated for some time.

The major differences from the 2016 figures are as follows:-

# **Membership – plus £7k**

Subscriptions rose by £3k (4%) with increased membership numbers. The cost of administration came down markedly this year as we no longer pay SiEntries both a system (credit card) charge and a manual administration charge. Overall that means that we earned net £81.9k from subscriptions, an increase of £7k.

#### Fellrunner – minus £6.5k

The income received from advertising in the Fellrunner dropped from £6.8k in 2016 to £3.6k last year, a reduction of £3.2k. The costs of production rose from £39.3k to £42.7k, an increase of £3.3k. This was due partly to producing magazines with more pages (production and mailing cost) and also an increase in mailing rates.

### Handbook and Calendar - minus £1.3

Advertising income declined from £1.2k to £0.7k, a drop of £0.5k. Costs, as for the Fellrunner, increased because of page count and mailing rates from £6.9k to £7.7k, an increase of £0.8k.

### Coaching - minus £3.6k

More LiRF and CiRF courses were held in 2017 than in 2016, but the numbers on the courses dropped and costs rose so that the net income reduced. For LiRF the effect was a reduction in net income from £5.3k in 2016 to £2.5k in 2017, a reduction of £2.8k. CiRF has always been closer to break-even, and reduced from £0.1k to a net expenditure of £0.7k, a reduction of £0.8k.

The target for coaching has always been to break even thus providing excellent training at no cost to members' subscriptions, rather than as a net cash generator, and the fact that we held more courses in 2017 is very positive.

**Navigation and Wilderness First Aid** courses were stable compared with 2016.

International Mountain Running (Junior and Senior) were stable compared with 2016.

### **Juniors – minus £1.1k**

The finances associated with the Junior Championships, the Junior 'Do', and the Under 21 Championship were all stable. The net cost of the English Schools Championship increased from a net loss of £0.5k in 2016 to a net loss of £1.6k in 2017, an increase of £1.1k.

**Other costs** showed no notable increases or decreases.
