Another great turnout on another lousy day. Many thanks to those who helped on registration and finishing results. Thanks to those who froze doing time keeping, marshalling, and refreshments. Also to the local farmers, the Dyeworks, the Parish Council and United Utilities for permission to run the races. Thanks to Alan at the Belmont Bull for use of the pub and the wonderful Bank Top beer (Got to be the best real ale at a fell race) Special thanks to Bolton Mountain Rescue who ensured safety on the road and the hills. We have been able to donate a fantastic £200 to Bolton Mountain Rescue. The races could not be held without their attendance We hope to put the race on again next year though certain issues need to be resolved, particularly policing, and the appalling state of the run-in along the wooden bridges (not caused by the race I must add) Could the trophy winners please ensure that the trophies are returned to me before or on the day of next years races.

Many thanks
Dave Bateson

PS Still no takers for the Old Counties Tops?
