			New record	
2.	Imogen Fisher MHS PTA Cup	QES	43.31	1 st girl
				(Holds record- 34.24 - 2004)

A poor start to the day but it slowly improved to give hot sunshine and very muggy conditions. An increase in numbers thanks mainly to Bowland choosing it as a club championship race. Second running of the new course from new venue in the heart of Quernmore Village. A tough little course with a sting in the tail within the enclosed land near the fell gate. The old route up and down Clougha Pike from and back to the gate.

~~The Junior Cross Country Races took place in the rough fields over varying distances to the fell gate with all ages starting together. Great running from Marcus, Ryan, Edward and Robert with wins in consecutive years. Similarly Hannah and Imogen for the girls. Well done to Quernmore School carrying off three team trophies.~~

For the first time Mark Croasdale was beaten. Danny Hope worked hard to stay with Mark to the top of Clougha and back to the fell gate. Here he made his bid, opened up a short gap down the steep hill and managed to stay ahead to the finish. A gap of over four minutes before other runners started to stream in.
