For the tenth running of the event the Lochsie Burn high and torrential showers alternated with warm sunshine, so times were mostly a minute or two slower than usual. Nevertheless there were no drownings and everyone finished in good form. Our loyal customer Ben Preece even established a record for M60. The first four finishers hope to represent Scotland in the World Championships in New Zealand later this year.

Thanks once again for Simon Winton and Steven Halliday's invaluable help. To Iain and Scott for marking the course. Thanks to Dundee Hawkhill for food and help. Kate Kitchin and Robin Morris braved the elements to time-keep, and lots of other good folk helped out.

I enjoy offering the event but could do without the hassle of folk arriving after entries close. This compromises our safety procedures and is a source of anxiety for the organiser.

I will try again in 2006 provided that helpers can be found to mark the course.
