Several people won spot prizes on the basis of their birth dates. Two prizes went to marshals.

All prizes were given away on the day.

Sorry to Jackie Welbourne. Unfortunately due to dissolved numbers piecing times and numbers together was like completing a soduku and that is why the results came out late with little time to check before prize giving.

Does anyone know anyone who would like to sponsor 500 indestructible labels?

Please contact zoe.wareham@btinternet.com or telephone 01246 583432

Once again, the village was very impressed by the chivalrous comradeship amongst the runners. In fact it was the runners' humorous comments that kept one loney bedraggled marshal in place!

Please come next year! Watch out for flyers, and notices on e.g. DPFR website.

We enjoy having you.
