

15TH Withins Skyline

22nd October 2006

7mile/100ft

The Woodentop organisers invited celebrity World Triathlon & European Duathlon champion 18 year old Alistair Brownlee to be the guest of honour, his first task was to start the various junior races where a massive record 105 competed over the Quarry Run courses. The new start back at the crag in the bottom of the quarry, meant the under 8's ran a little further, hence both Ben Cheetham and Rosie Hagan are new record holders. For all the other age groups a short section and climb has been taken out before the lake, which should make it now a faster route, hence we have kept the old records for the time being. Alistair not used to the limelight was a little embarrassed and shocked to be signing the juniors shoebags etc. but did it with great professionalism.

In the main race he was greeted by a crescendo of applause and cheers as he was introduced to the 277 amassed in Penistone Hill Quarry on a near perfect day for Penistone Hill !! The Cambridge University student set a new course record for this slightly changed route, leading all the way chased by Adam Osborne of Leeds City & 2004 winner John Heneghan of P&B, over this course which visits Oxenhope Stoop, Top Withins, Bronte Bridge & Chair before the scramble up Bronte Waterfalls.

UK fell Inter County winner, PE teacher Jo Waites, also set a new record with 2003 winner, Dr. Jo Buckley 2nd and Wharfedales Tamara Hird 3rd, it was a grrreat day for birthday girl Jo Waites as she turned into V35 status, and Calder Valley also collected the chocolate team prizes with Jacky Scarf the 3rd counter.

Junior England team manager, Bashir Hussain finished 5th and first V40, while Steve Oldfield won the V50's trophy, having won the overall race in 2002 and the V40 trophy 6 times previously.

What is it that attracts so many to Penistone Hill? Is it the course, the beautifying mud, the prize giving or the Cadbury's Curly Wurlly's you decide.
