7. Jackson Kelly	Helm Hill	34.03	
8. Carly Cheng	Moorland		
9. Rose Thompson	Moorland		

### Team – None

#### Report

Hot and sunny from early morning and this weather continued all day. Perhaps not the best conditions for running but it certainly brought in the entrants, particularly to the Junior Cross-County Races.

73 juniors lined up at 2pm to race over variously long sections of a rough, hilly cross-country course, the U16 age group running the longest distance of 4 miles having crossed fields, climbed and descended through a wood and taken in some more tough, steep climbing to the fell wall. Courses seemed well received and one keen parent even told me I had under-sold the quality of the courses! As they came pouring in down the finishing hill there was lots of encouragement and applause but they certainly challenged the team at the finish to record all finishers and maybe if we get this great response next year we will need to split the start.

Records were broken in the dry conditions. Melanie Hyder knocked nearly 3 minutes of the previous U14 girls record to finish 2<sup>nd</sup> in the race. Moorside Primary School, Quernmore School and Lancaster and Morecambe Athletics Club were well represented and thus carried off a team trophy each. There were lots of cash prizes, cups, shields and certificates for all finishers.

The Darren Jones Clougha Pike Fell Race over 5 miles and with 1250ft of ascent, started at 3pm. This was the 16<sup>th</sup> running of the event in memory of Darren.

Pleasing to see a slight increase in the numbers with the event well supported by Bowland Runners and Lancaster and Morecambe AC. The route was well flagged to the fell gate following the U16 route. Then it was the more obvious route to Clougha summit along the ridge on a well worn path. From the summit, manned by Reg Baker, a short descent to a piece of broken wall and then a very indistinct line across the normally very boggy fell back to the fell gate for a repeat of the flagged route. Hardly any flags out on the fell with some local knowledge an advantage but clear conditions to see the runners ahead. A couple of runners did make slight mistakes. Very hot, hard underfoot with a breeze on top! Perhaps not ideal but fast times were likely. Mark Croasdale duly delivered a new record time ahead of Sean Bolland leading in a line of Bowland Runners. Newcomers to the new course (of 2004) again gave rave reviews with the variety of terrain being the main attraction. Many of the runners, hot and sweaty from their efforts made use of the cold shower – a hose held by Mr Jones! That had really provided a hit with the juniors. Plenty of voucher prizes, annual cups and shields and 3 special prizes for those down the field. Bowland duly took 1<sup>st</sup> and 2<sup>nd</sup> team placings

A great day of racing from Quernmore Sports field in the centre of the village with plenty of other attractions for runners and their families. Mr and Mrs Jones were present helping with drinks and the hose. They made a donation towards prizes as did Mrs Mullervy (who also helped with drinks). John Mullervy donated towards the race and towards the special prizes for 3 runners down the field. Support also once again from Harry Robinson and Pete Bland Sports. The support of all of them is much appreciated as is that, once again of LANCASTER PROPERTY NETWORK and their significant donation to the whole event. Thanks also to all the helpers on the day – you know you are the unsung heroes!

Come back next year, bring friends and make it an even better set of races
