

17 year old England international Tom Addison was so focused racing it out with the leading senior runners he omitted to turn at the old Haworth boundary Stoop standing stone which officially is the under 18 turn round point. The youngster's enthusiasm carried him with the leaders to the second checkpoint, Top Withins ruin, but by then it was quicker and safer for him to carry on in the race. On the tourist path to the famous Bronte Bridge he did lose 20 yards on the leading group, but once over the bridge, and up the scramble of Bronte waterfalls he knew it wasn't far to the finish. Using his natural turn of speed he opened a cushion over Alex Whittam and Steve Oldfield to actually win the race. His triumph could have been short lived, because officially he should have been disqualified, but the general opinion of the organiser's and the other runners was this would have been too harsh a punishment to one of fell runnings most promising talents. Tom has been a regular at Woodentop events from the ripe old age of 9, and has progressed through all the age groups and the organiser's would like to think this has put him in good stead for where he is now in his running career. However, the organiser's have taken on board what happened, and next year this race will feature no under 18 race, that way what happened this year won't happen again!

Steve Oldfield regained the over 50's trophy with a new course record of 43-56 taking half a minute off his own record finishing 3rd overall, he also took the V40 perpetual trophy, and was piled high with the prizes that age category brings. Steve has won the over 40's trophy 6 times now, and even won the race back in 2002, so knows the course like his own back yard. Add another 10 years or so, and the over 60 category winner, Dave Tait from Dark Peak also set a new record taking nearly three and a half minutes off Lawrence Sullivan's 1994 time. Another Addison finished 4th, Mark, Tom's cousin, who also has the potential to go far, once again like Tom he cut his teeth on the quarry runs. Lisa Lacon the 2005 ladies winner had a comfortable margin of victory, over Lynne Clough who led her new Chorley club to the ladies team chocolate prizes with Nicola Raby, 11th, and Anna Crabtree 12th.

Congratulations to Lily McGuinness on beating all the boys to win the under 8's fun race outright and set a new girls record yet again just like she did in the 2006 Stoop under 8's race. This time round the Great North Run junior winner reduced her own record by an amazing 35 seconds, which makes it 11 seconds faster than the boys record, **what a feat**. Lily also had the honour of sending the 190 seniors on their way in conditions which resembled an Indian summer. Three other records were broken by Philip Done in the U10, Abbey Parkinson in the GU10 and Carly Robertson in the GU14. Carly a U13 European champion at Karate is an exciting prospect if she decides to sample a few more fell races, a 2-16 800m runner, she finished 2nd in the Yorkshire's, 8th in the Northern and 21st in the National cross countries. Finally 3 other Addison's each took the winners prizes in their age groups, Jos the under 16, Jenny GU16 and Rory the U14's, how time flies because the Woodentops can remember Rory running in his duffle coat and his wellies on the wrong feet, when he was knee high to grasshopper. The Curly Wurly name change certainly worked with 98 juniors taking part, and enjoying the fun associated with these races. **Why not look on www.photos-dsb.co.uk for more photo's of the event!**
