

**WOW**, 19 year old medical student, Alistair Brownlee, clinically dissected the best quality field ever assembled for this finale to the fell running season, just like he did at the Chevin Chase on Boxing Day. An awesome 474 runners turned out to collect their bottle of Daleside Brewery, Old Legover beer, a traditional Yorkshire beer that is described as 'nutty with a fruity taste' just like a lot of the runners? The neck of the bottle had either a picture of the delectable Olivia Walwyn or the handsome Simon Bailey, these were last years winners, so Alistair will now be immortalised on the 2008 brew. The 2006 junior World Triathlon champion, and current European champion was itching for a fast race from the word go, and only recent Stoop race winner and 2004 ALS winner, Andi Jones, who the previous day clocked 30-14 at the Reebock 10k race went with the pace. These two raced it out neck and neck, until the final descent into Sladen beck, where the 10 years Andi was giving Alistair finally took it's toll, as the youngster joyfully descended with much gusto. The very wet climb back to Penistone Hill enabled Alistair to secure his victory, and cross the finish line to set a new course record of 39-07. The previous best was 40-55 by Ian Holmes in 2005, and then equalled by Simon last year. The quality of the field was shown in that the first four broke the previous record, with another international, 26 year old James Walsh of Leeds City third and eleven times winner Ian Holmes fourth and first over 40 with a new record. The Brownlee genes should be bottled because in 8th overall came Jonathan in 42-09, which clipped 20 seconds off Alistair's U18 record, Jonathan is also a European Triathlon champion for his age group, and followed Alistair home in the Chevin race what a festive flurry the Brownlee's are having.

**AWE – inspiring** this gal is quickly becoming the Queen of Haworth Moor after winning the Stoop race and last years ALS, with her blond locks flowing Olivia Walwyn sliced two minutes ten seconds off her last years record time to finish 37<sup>th</sup> overall, and scare the men folk with her fleetness of foot. The 24 year old certainly has the talent to go far, will 2008 be the year she advances on to the world stage? 2003 winner Sharon Taylor, 28, the British silver medallist and English bronze medallist finished second, with Lisa Lacon third. England junior international Holly Page won the under 18 category, and has been running at Penistone Hill for quite some years in the Quarry Runs.

**RECORD – iculous!** That can only describe the clutch of records that tumbled on this cool day where the underfoot conditions could only be described as very soggy, testament to this is the numerous runners finishing muddied up to the nines. Congratulations to 52 year old Brian Goodison, 63 year old Kieron Carr, 71 year old George Arnold, new 50 year old Elizabeth Tomes and 60 year old Sheila McNulty, you all are RECORD BREAKERS. The prize giving at the Old Sun Hotel was an epic, and the race video a good laugh for some, and a drown your sorrows for others, this is what fell running is all about, having fun, enjoying yourself and socialising with some of the best people in the world. The much sought after **Crosstrax** shoe prize draw was won by Dave Lewis from Idle AC, who finished in 60-47 in 278<sup>th</sup> position.

**DID YOU KOW.....?** The beer, Old Legover, takes it's name from fell – runners who have to put one leg over thousands of stiles, stone walls and streams in pursuing their traditional sport. A very big thank you to Daleside Brewery for all their support and invaluable help, if you haven't tried this traditional Yorkshire brew then there's no excuse now, you were awarded one for competing in the last race of 2007. Good luck for the 2008 season, may your injuries be few, your races be many and your discovery of fine real ale continue. **Now why not look on [www.woodentops.org.uk](http://www.woodentops.org.uk) for results, archives, photo's & everything you need to know about Woodentop events, also visit [www.photos-dsb.co.uk](http://www.photos-dsb.co.uk) for even more photo's.**
