

29 year old 2005 winner and 2.17 marathon man, Andi Jones dominated the Stoop fell race, beating 5 times winner and current British champion Robert Hope, along with current English champion Simon Bailey, leading from start to finish. The very icy conditions suited this road man, and by the old Haworth boundary summit standing stone he was 30 seconds ahead of the chasers, on the 'treacherous' descent Robert and Simon closed in, but from the beck crossing they had little chance of catching the fleet footed Salford man. Andi was only 15 seconds shy of his own record set in 2005, and showed no tiredness from winning the Red Rose cross country the previous day. Robert would love to emulate the great Ian Holmes, who received an oil painting of himself competing in the race in recognition of winning the event ten times, thanks to Andi now at best he will be 39 before this great achievement can be reached. Ian having run the event for 17 years now, never finishing outside the first three, blotted his copy book good and proper by missing the start, he assumed the race started at noon for some reason, and was warming up the other side of Penistone Hill. In fact it was Sarah Rowell heading home after a training run who put him right to the 11.30am start, consequently he gave chase with a hefty deficit to claw back, not even Ian could manage this! He did make plenty runners day by show casing his skills to those that don't normally see them, thank you Ian for this great display. For his 78<sup>th</sup> position Ian did win a spot prize, which added to the fun festive prize giving back at the Old Sun, and seeing him hiding from photographers, and the race video was also entertaining.

41 year old Gary Devine was pleased as punch to win the veteran category, and have the crackerjack prize giving experience, with wife Debbie and daughter Leah keeping a close eye on what goodies were going back to the Devine residence, bet Leah had her eyes on the Rudolph reindeer musical hobby horse! Abbey Runner's Brian Goodison won the V50, while British & English V60 champion Dave Tait suffered a rare defeat at the feet of Jim Shemilt from the York Acorn club. In 'days gone by', Jim was an Oxford blue and represented Northern Ireland as a track athlete, nowadays he's seen the light, and fell running is his passion, although he's still learning the trade. Altrincham's Olivia Walwyn sliced nearly two minutes off 2006 English champion Natalie White's course record, to finish in 19<sup>th</sup> overall and seems to enjoy these moors after winning the Auld Lang Syne in 2006. Since that race the 24 year old newly qualified primary school teacher has had a memorable year, running for the Great Britain team in the European uphill championships and also representing England at the Mount Snowdon race. British silver medallist and English bronze medallist Sharon Taylor along with British U23 champion Emma Clayton were also inside Natalie's record of 37.06, finishing second and third respectively. Diane Haggard led home Ilkley Harriers in 6<sup>th</sup> to the chocolate ladies team awards with 18 year old Victoria Stevens, 7<sup>th</sup> and Val Kerr 14th. Emily Whitehead who finished 18<sup>th</sup> lady had a surprise in the pub when called forward for her prize, turning 35 that day the assembled runners all sang 'Happy Birthday' it might have been out of key but it was heartfelt, this was not the only surprise the Whitehead's had as Emily's husband, Tim, won the **Crosstrax** free shoe prize draw, so watch out for this newly shod Keighley runner.

The Curly Wurly races certainly had the **WOW** factor, with an astonishing record number of eager beavers turning out in the bitterly cold icy conditions, 145, that's bigger than some senior races. First off out of the quarry at break neck speed were 56 U8's where Thomas Sumner dashed across the finish line, and then dashed off to a Karate competition, his prize is being held safe for him. First girl was Georgia Smith Calvert from Spen AC in 9<sup>th</sup> overall. In the U10, U12, U14 & U16 combined race, Todmorden's Sean Carey won the U14's, Rosie Hellowell in 5<sup>th</sup> overall and the Yorkshire GU14 champion just finished behind U12 winner Ben Johnson from Wharfedale, while in the U10's boys Philip Done by a mere second out sprinted Niall Oxley from Calder Valley. Both these had GU10 record holder Abby Mae Parkinson from Bradford Grammar School breathing down their necks, Abby loves running almost as much as she loves swimming, she is currently the North East of England champion and the Yorkshire champion. One of Abby's ambitions is to win the GU12 Yorkshire fells title, which is currently held by Emma Wilkinson from the Spen club who finished 11<sup>th</sup> overall and of course first GU12. A new record was set in the U16 race by Keighley & Cravens Thomas Sessford who beat Ben Lindsays 2003 time by 10 seconds with second placed Jonathan Bradshaw also dipping inside the record. If these two follow in Ben's footsteps then in years to come they will be running in the World and European cross country championships, let's wait and see. Sarah Wilson once again took the girls honours. We nearly ran out of goody bags, the question is do we make up 200 next time, now that would be a sight to see! **Now why not look on [www.woodentops.org.uk](http://www.woodentops.org.uk) for results, archives, photo's & everything you need to know about Woodentop events, also visit [www.photos-dsb.co.uk](http://www.photos-dsb.co.uk) for even more photo's.**
