

Oh what a night, from an organisers point of view it was a nightmare, but the feedback from you the runners was you loved the hail, sleet and rain that hammered down on you all, are you all mad? It was atrocious weather, which had you all covered in mud and shaking uncontrollably at the finish, which resembled a big muddy puddle, how 258 runners survived with no serious injuries to themselves we'll never know! From the organisational side of things – what a nightmare, numbers disintegrated, mainly due to the plastic bags which were provided not being used, this at the finish caused problems. How our recorders managed to do their difficult job and keep order is beyond us, imagine runners finishing virtually every 2 seconds, some with numbers, some without, the ones without they had to try to identify them by name, with the rain lashing down, the runners frozen and yet they still kept the finish flowing, **no easy task!** So a big up for Michael and Carol Fryer, Shirley, Paul, Sam Wood. Then trying to translate that information on to wet result sheets via sticky labels proved a sticky situation in itself, sorry only minimum results appeared at the soggy finish area on the night, but Emily Wood and a little assistance from Eileen did manage to produce full results at the Old Sun Hotel pub prize giving where everybody took welcome refuge, watching that nights race on the big screen. This was another nightmare for Robert and Maxine Adamson, but they did a fantastic video encapsulating that nights mud fest. Showing a clean pair of heels for the second week running, 'Mr. Sport Camps', Willy Smith, conquered again finishing in 15-54, again taking Ian Holmes' scalp. Ian did win the V40's again finishing 22 seconds behind, with England international teenager Rob Shaw 3rd only 5 seconds behind Ian, Rob won his second Egg Stage in 3-35, exactly the same time as last week. Willy a recent winner of two 5k road races in Lancashire commented, 'those conditions were horrible, it not only was wet, it was freezing, I was really worried about Ian and his fell running ability, but I was very confident on the climbs which made the difference. My fitness has really improved since Helen and I acquired 2 springer spaniels, Bella and Earl, they always want exercising morning, noon and night.' Recent birthday boy (it was last Sunday) Bingley's Jon Cordingley ran 18-13 to win the V50 prize, while Dave Tait completed a hat trick of wins in the V60's. 28 year old Sharon Taylor also made it 3 straight wins this series, winning in 19-01 from Anna Anderson 19-28 and Helen Glover 19-55, England international Anna won the Egg Stage in 4-21, and again led Pendle ladies to the team chocolate eggs with GU14 winner Emma Spencer 6th and 2nd GU14 Jade Lord in 7th. Cor, whilst last weekend thousands travelled to London for the marathon, the Wilson family came the other way to run a Bunny, Lynn Wilson even won the FV50's in 22-55, whilst son Robert finished 44th in 19-23 and Harry just enjoyed hostile Yorkshire weather. The **yummy 2 kilo chocolate egg** was won by Tim Midgley who finished in 4th overall, so his chocolate haul was enhanced dramatically, this draw is for everybody, and it's the luck of the draw who wins, next week it could be you! See you there for another Bunny Run soap opera – after all it beats watching Eastenders!?
