

25 years of organising the event and it's good to see some things don't change, **SOREEN** are still supporting the race by giving out their wonderful energy product to all finishers, and that 'old faithful' Ian Holmes is still churning the wins out. Incredibly Ian has won the Splash consecutively now since 1996, age just doesn't seem a barrier to the 4 times British and 5 times English champion, as even now at 42 he simply ran away from the 281 senior runners, and even on the skyline loop of Ponden Kirk he relished being able to see his pursuers half a mile behind. The whirlpool – bathroom fitter who works for local company Kimbledale Limited loves his maltoaf and regularly has slices before and after racing, maybe that's his secret. 27 year old Silsden athlete Graham Pearce improved on last years fourth to finish runner up, running nearly two minutes faster than last year. Graham has actually competed here in the Quarry Runs as a U16, and earlier in the day had his daughters Esme and Nina competing in the U8's race. Ian also had a role to play as bag carrier for his son Louis who competed in the U10's race for the first time after moving up from the U8's, which he has previously won. In third was another graduate from these junior races, Calder Valley runner, Alex Whitem, fourth was Rob Shaw before the Wharfedale team train of Ted Mason, Kirk Livesey and Bruce Elsworth stormed across the line. Getting special dispensation from his work at Aire Valley Cycles Keighley, 35 year old Robin Bradbury a top class cyclist won the locals trophy for the fifth time, and is now only one shy of Haworth legend Ian Ferguson's record of six wins.

Last years winner, Helen Glover, retained her Soreen title with 34th overall and even more impressively knocked five minutes off last years time, beating England international Lynne Clough, the new FV35 record holder from Chorley Harriers by over one and a half minutes, with Sally Malir first FV40 and third overall. The Ilkley Harrier also led her team home with Alison Weston, 9th and Diane Haggard, 11th. 23 year old Helen works as a medical receptionist at the Skipton medical centre, and took several mens scalps in the race, including Ian Ferguson's, Dick Ballantine's and Charlie Marshall's, all local runners. In fact Helen and Charlie have a challenge match throughout 2008, with a round of drinks for the victor – looks like Charlie better start saving! Two other new records were set by FV50 Jane Smith in 63.37 and Dave Tait an impressive 40th overall in 54.07 for the V60's. The **Crosstrax** free shoe prize draw, was won by Nicholas Charlesworth who finished 166th in 64.20, and was **'well chuffed'**.

The junior Soreen bumper goody bag had an extra special surprise from Soreen, it came in the shape of a fold up frisbee, which a few juniors did try out from the top of Penistone Hill, not the best idea since the wind was gale force! The weather didn't deter an impressive 120 juniors turning out though, which included 38 U8's where Alex Robinson and Nea Weston came home triumphant. The combined U10, U12 and U14 race was won by 11 year old James Hall, from Ian Ferguson's son Josh, with GU14 winner Rosie Hellawell an astonishing third. Nine year old Oliver Spencer won the U10's and in that age group for the girls fresh into this category, Lily McGuinness dominated as she did in the U8's race; which she actually won outright twice, and is the record holder. The closest finish was in the GU12 girls, where Emma Clarke all the way from Shropshire just out sprinted Wakefield's Annabel Mason. Junior record holder ThomaSessford won the U16 race and with Rebecca McLean also winning Keighley and Carvan plenty to cheer about. Much fun was had after the prize giving, with Soreen Go bars, Snack packs, maltoaves and frisbees being eagerly grabbed out of the air in the customary 'throw out', which also included crisps and chocolate. **Now why not look on www.woodentops.org.uk for results, archives, photo's & everything you need to know about Woodentop events, also visit www.photos-dsb.co.uk for even more photo's.**
