**Comments:**

What a brilliant night for racing with a North York Moors greeting of fine drizzle and mist. The whole course above the lane end was invisible from the start/finish point. This did not put off runners in the slightest despite conditions meaning it would be slow progress due to high humidity and slippery conditions. Antony Moss Dale Foster and Elliott Jackson were soon leading with Noel Clough Damian Kilpin and Ken Maynard chasing. Antony went on to gain a decent lead by the top and finished some 62 seconds ahead of the chasers.

In the women's event it was one of the younger runners in Bronwen Owen who gave a superb exhibition of fell running for one so young to finish ahead of, the new 'Summer Series Champion' Kay Neesam who herself had an excellent run. The third counter was Emma Clapton who also ran well as a junior. Unfortunately although Scarborough had the first two they did not have a third team member and the team went to Esk Valley led by the experienced Jill Libby and just holding off Sunderland Strollers by the skin of their teeth. In the men's team it was York Acorn who held off North York Moors and Esk Valley. They could not have done it however without their two juniors Tyler Hutchinson and Sam Clapton. Rumour has it that Andy Normandale was looking over his shoulder for the youngsters so he could try to hold them off!

Hope to see you for the last counter at Castleton Show Best wishes  
.... Dave
