Comments:

Winter had arrived with a cold wind at about 3 degrees, hail and eventually snow just after the race finished. Nevertheless few athletes wore cagoules. In the men's race there was a three way contest between Cameron Taylor, Nick Barber and Jim Bulman at the front. Initially Cameron managed an early lead as they crossed the road above Hob Hole to head across the Hograh Moors. This became much tighter as they returned towards Hob Hole river crossing with Nick Barber now leading some 30 metres ahead of Cameron who had an equal lead over Jim. As they returned to cross Westerdale Moor Cameron had closed the gap and was again just ahead. As they climbed into the finish Cameron was able to pull away to win by 50 seconds. In the women's event Cath Williamson soon had a 400m lead at the first road crossing. Kay Neesam and Shelli Gordon made up the chasers with Cath in view as they crossed The Hograh's.

Cath made this section really count and had pulled ahead by almost two minutes by the river crossing. At the finish Cath had a comfortable lead with Kay and Shelli about 3 minutes behind. In the men's team another good performance by Nigel Tate ,Ian McGrath and Joe McCready saw Durham Fell R. just edge out Esk Valley and North York Moors with 3 points seperating them.In the women's team event New Marske Harriers just held off Pickering led by the improving Kim England and Lorraine Laycock, by 2 points.

See you at Christman and the New Year races. Please bring a completed entry form to the New Years day event.... any universal form is acceptable. Season's greetings..Happy Christmas ... Dave
