Comments:

It was another fantastic day at the races with the warmest weather we have had for years. The turn out was unbelievable with an increase of about 50%. So much so that I am going to have to change registration procedure! Please bring universal forms completed to each race so that I only have to allocate numbers and take money. Paul Lowe popped up out of the woodwork (or is it the trees) and we know that although we have not seen him race for a while he always retains a high level of fitness and so it proved. He led from the off and was shoulder to shoulder with Phil Sanderson and Jim Bulman. At lap one it was Paul just ahead of Phil by a few yards then Jim some 20 metres down. By lap two Paul had extended his lead and Jim was closing a little on Phil. At the Quarry Paul eked out a few more metres and Jim closed the gap on Phil to pass him on the top section. Phil fought back to head Jim on the descent but at the line Jim just nicked it from Phil for second but the competition between the two had brought them a little closer to Paul, the winner by seven seconds.

In the women's event Cath Williamson soon forged ahead with a good lead after the quarry on Katie Rawnsley and Kay Neesam. At the end of lap two Cath had established what I thought was a secure lead. Katie now rallied and closed the gap over this last section but only to reduce it from one minute to 48 seconds Cath winning well from Katie and Kay.

In the men's team race Durham Fell Runners held off the challenge from North York Moors. In the women's event New Marske needed their third runner to count ahead of Loftus & Whitby's third to hold off L. and W. by 3 points. See you New Year's Day
