

18TH DECEMBER 2011 THE STOOP 5MILE/800FT

New winners will appear on the Stoop trophy pictures as eleven times winner Ian Holmes and the other 256 athletes were shown a clean pair of heels by 20 year old Sam Tosh. The runners for the 22nd race were set on their way by Emily Elmes of Ilkley Harriers who had earlier finished third in the GU10 race, that was of course after she had selected the fancy dress winners. English U23 fells silver medallist Sam, who is studying to be a quantity surveyor at Loughborough University stormed up to the Oxenhope Stoop boundary stone to turn with a seventy yard lead. 'I knew Ian knows this route so well, so I didn't ease off on the descent, I just kept pushing it, mind the heather, snow and ice was challenging in parts. Ian is so strong so I daren't look behind in case he was coming' said Sam. He need not have worried, Ian the English V45 champion finished over a minute behind to win the V40 category and Alex Whittam took third. Although it was a surprise for many that Sam won, it shouldn't have been, because he has been improving year on year, especially at the Stoop race, seventh in 2009 and fourth in 2010. 2011 has seen him second at the Burnsall Classic, second at Hawkswick Dash, fourth at Grasmere Sports, fifth at the Three Shires and a win at the James Blakeley race. He has found the step up to being a senior a steep learning curve, and puts his improvement down to lots of consistent training, eating and drinking the right stuff. The only record breaker on the icy day was in the V70 category by 71 year old Ilkley Harrier Norman Bush who finished in an incredible time of 41-03, and even beat the V60 winner Steve Carter.

The new ladies winner is English silver medallist Helen Fines who only seven weeks ago had her right foot in a plaster cast due to torn ligaments and only ran the race to test her fitness. 'To win the race was unbelievable, this is not my type of race it's far too fast, I normally prefer far tougher and rougher races. Maybe it's all the turbo training sessions whilst in rehab that has helped me with my pace.' said Helen a Bradford vet working for Vets Now. Only seconds separated 2009 winner Helen Glover and Jo Buckley at the summit turn so Helen knew on the frozen descent she had to let herself go. She crossed the finish line in happy shock at winning whilst Helen out kicked Anne Johnson for second with Jo Buckley fourth. Calder Valley Fell Runners with Helen Fines, Anne Johnson and Jo Buckley won the team chocolate prizes.

Introduced in the last few years the junior fancy dress has really taken off and easily out does the seniors both in number and imagination, who would have thought that junior fell runners would relish this? This year the competition was so fierce that we awarded a record sixteen yards of Jaffa Cakes to the best, keep up the good work, looks like we'll need more fancy dress prizes next year! The junior races attracted 151 youngsters with 56 U8's being set off by last years U10 winner Natalya Irvine of Clayton Le Moors. Keighley and Cravens Eric Beaumont, the Withins Rat Run winner triumphed again with Alice Jones winning the girls. In the combined U10, U12 and U14 race, U14 Edan Whitelaw won from U14 Yorkshire silver medallist Seth Waterman, with last years U10 winner, Joshua Newbold winning the U12's in third overall. The U10 winner was Joshua Dickinson of York who finished in seventh just behind GU12 Yorkshire champion Sarah Pickering. GU14 winner Sophie Spencer won again finishing in tenth overall with team mate Sunnivah Waterman taking the U10 prize. In the U16 race it was current Quarry Run record holders James Hall and Annabel Mason who took the honours. What a season these two have had, Annabel has won the British and Irish title, English Uphill title, Yorkshire title and the English overall title, whilst James has the English overall and Yorkshire titles. Watch out you seniors these two are after you! Many thanks to **Up & Running** for the printing of the junior certificates in the goody bags and for the race numbers.
