

Tom Addison has been competing at the Withins races since the age of 10, and has won the senior race now four times, 2007, 2008, 2009 and 2011, only one other athlete has also won it four times and that is Ian Holmes, who Tom beat this year. 21 year old Tom was first to the Oxenhope Stoop checkpoint and the bog trot along the skyline. He took his foot off the throttle on the corner cut to Top Withins because he is still unsure of the best line. This allowed Ian to catch him at Top Withins, but on the fast running to Bronte Bridge Tom was away and never looked back. He finished 11th in the recent Smarna Gora race in Slovenia running for England, and is in his second year as an apprentice cabinet maker with Peter Hall & Sons at Staveley. Ian finishing second won the V40 trophy for the first time ever, while in third Gary Devine led P&B to the team prize with Matt Lockyer in 4th and Neil Armitage in 18th. Another regular to the race West Pennine athlete Neil Holding won the V50 picture trophy finishing in 28th overall in 49-49.

35 year old Jo Buckley, a Haworth GP retained the perpetual picture trophy and having won the race in 2003 under her maiden name of Smith this makes her a hat trick winner, only Sarah Rowell and Lisa Lacon have achieved this feat. Jo who ran for England in the summer led all the way, chased home for the second year in a row by 27 year old Helen Glover. Third was Otley's Renee Saxton, while in fourth was Kate Bailey who last month won a team gold medal for England in the Commonwealth Games Ultra Race. Kate the previous day had won the Race to the Summit event, and way back in 1997 was the GU16 English champion. Helen Glover led home the Keighley girls to the team prize, with Karen Ballantine, 12th and Claire Cooper, 22nd, beating the Ilkley girls by one point. 63 year old Sue Heywood was the only record breaker taking 1-28 off Jan Atkins previous best to finish in 285th position.

Whoops, you did it again, with 170 Rat Finks competing in the Curly Wurlly rat Runs sponsored by Precision Pest Management, where the Simon Cowell of the pest world, Mike Ayers, judged the fancy dress competition, dressed appropriately as King Rat. What a scary turn out in this competition with skeletons, Draculas, cats, mice, witches, pumpkins all making your blood run cold with their scariness. Well done to you all, keep up the good work and hope all the winners enjoyed their boxes of chocolates. 52 under 8's started the days proceedings tearing off at breakneck speed with Eric Beaumont climbing the quarry wall for the second time to win in 2-53 equaling the course record set by Matthew Crokken, Keighley and Craven also produced the U8 winner in Lucy Fryes. The combined U10, U12 & U14 races attracted 109 competitors and the star here was Sarah Pickering who demolished the GU12 record of Rosie Hellawell's set in 2006 by a staggering 32 seconds, which shows why she is the reigning Yorkshire Champion and a name to watch next year and beyond. The other girl winners were GU14, Olivia Sykes and GU10 Ruby Schofield. The winner of the race outright was U14 Emile Cariss in 6-10 with Harry Muir second and U12 winner Charlie Lowrie third. The U10 winner was Callum Durrans who fought off the challenge of Elliot Brett with only two seconds separating them at the finish. It was records all the way in the U16 race with England internationals James Hall and Annabel Mason rewriting the record books. James annihilated the 2007 Thomas Sessford time of 11-31 by one minute seven seconds and Annabel the new British and Irish champion improved her own record by fifty four seconds, **watch out you seniors these two are after you!** All thirty odd prize winners received a toffee or chocolate apple, bottle of Gatorade, a signed picture of Jonathan or Alistair Brownlee, the world Triathlon champions and choice off the prize table. Finally, what they'd all been waiting for, the chocolate throw out which is a great way to round off the day's racing. Remember, it's great to win, so these races are competitive, but for those of you who just want some exercise and fun, then we guarantee this is the place to be.
