Comments:

Well what a night to finish the Summer Series. At 4.30 the rain was so heavy it would have been dangerous to run. At 5.00pm the rain drifted away and the instant streams disappeared. By race start it was damp. Bearing in mind that this event is usually where Juniors show the seniors what they are worth and with a very good turn out in the younger age groups. There were 8 juniors in the first twenty including the winners of both Male and Female events. In the male event Jack Willis flew out of the blocks and was comfortably clear at the top. Dad has obviously input descending skills and Jack went on to win from Nick Barber and Sam Garratt (another junior.)

In the female section Bronwen Owen was a clear winner from Emma Clapton (running in the F14 section) and Kay Neesam. Both winners are going on to represent Great Britain this month. Well done to them. In The Series Dan Middlemas has won the overall men's title with Ian McGrath second plus Rob Williamson and Cameron J Taylor tying for third.

In the women's overall points Kay Neesam was again champion with Nicola Kent and Shelli Gordon in second and third. Presentation of awards will be at the 3 Tops in October. Look out .. The Winter Series starts with the Viking Chase on 23/09/12. Hope to see you there Dave
