

22ND JANUARY 2012 29TH SOREEN STANBURY SPLASH 7MILE/1200FT

'I love it, honest I really do. Once I start a **Soreen** malt loaf I just have to finish it. Andy Peace, Rob Jebb, Graham Pearce and myself worked cycle peleton style into the fierce wind, each taking it in turns, which allowed us to break away from the rest. Around Ponden Kirk valley skyline, Rob had gained 30 metres and it was Graham who told me to go get him. By the Heights we were together, but Rob pulled away up the climb out of Sladen Beck, on the run back to Penistone Hill I knew I had to give it my all. It was amazing to win it, I felt strong all the way and it was one of those days when it all came together and after my recent injuries it was great to be back.' said 29 year old Tom Adams after winning the 29th **Soreen** Stanbury Splash race. Former British and English fells champion and world Sky running champion Rob Jebb finished ten seconds behind and was reasonably happy, especially since this was only his second race back after dislocating his shoulder five months ago at the Whittle Pike race. The other race was over the Christmas period at the steep up and down Wansfell race, 'today's was too fast for me, I was expecting to climb to Stanbury trig point, and didn't realise the route had changed, but Tom ran well' said the 36 year old. Graham finished third while winner of the Lambs longer leg fell race and English U18 champ Jack Ross took fourth, with English U23 champion Tom Addison fifth. The locals trophy was finally won by Haworth lad Andy Peace, a previous two time winner of the race in sixth overall and he also won the first V40, ahead of fifteen times **Soreen** winner Ian Holmes. Last years local winner Paul Crabtree had an excellent run to finish thirty third, especially since the previous day he had won the Hebden fifteen mile race. Phil Taylor won the V50, Brian Horsley the V60 and Malcolm Coles the V70.

Withins Skyline winner Jo Buckley retained her **Soreen** title after a head to head with twice **Soreen** winner Sharon Taylor. 'It was nip and tuck all the way with Sharon, on any of the climbs I had the advantage. Although on the long climb out of Ponden Beck to the skyline I just sat in behind her, Sharon was just a metronome running up there. I knew once we returned to the Pennine Way I had to hammer it down the track, and I did, sprinting like mad! Once into the beck I literally dragged my body up that last climb, knowing I had to stay away,' said the 35 year old Haworth GP. 'I last won this race nine years ago, and it's very special as it was my first ever race win. It was a good race between me and Jo,' said 32 year old Sharon who recently won the Kirby Moor race, and is gaining strength, speed and motivation after the birth of her daughters Millie, three and Isla, eleven months. English V40 bronze medallist Lynne Clough finished third with fast improving Louisa Pickles fourth, in fifth Kate Archer led Ilkley Harriers to the ladies team awards with Helen Thurston, eighth and Jann Smith, tenth. Former world downhill MBT champion Karen Ballantine won the first locals prize with ninth overall.

It was impossible for the junior runners to stand up never mind run, the wind was that strong and cold. Twenty nine eager, lean, mean squidgy runners splashed and dashed their way round the U8's course, Jath Lee second in the Withins Rat Runs U8 race won from James Johnson and Clayton's Chris Brown. Chris is improving fast being twentieth at the Rat Runs and thirteenth at the Stoop race. It was a thrilling finish in the GU8 race with four seconds separating the first four girls, Emma Lloyd improved from tenth at the Rat Runs to win, Mollie Hesketh finished two seconds behind, another second to Charlotte Bennison and another to Alayna Irvine. Alayna of Clayton Le Moors also ran in fancy dress costume, being 'Little Miss Sunshine', Alayna always gets into the spirit of these races and dons fancy dress, good on yer girl! Stoop U12 winner and U10 record holder Joshua Newbold won the combined U10, U12 and U14 race outright from 107 runners, with U14 Matthew Merrick second and U12 Thomas Nelson third. Holmfirth Harrier Callum Durrans, the Rat Run U10 winner won again from Harry Johnson and Eric Beaumont. Eric is definitely one to watch having won the U8 races on Penistone a few times and is joint U8 record holder. English and Yorkshire silver medallist Lucy Byram won the GU14's from twin sister Erica, Natalya Irvine won the GU12 from Bethan Morley, whilst Ilkley team mate Emily Elmes won the GU10 from Caitlin Rimmer. Holmfirth Harriers provided the GU16 winners in Sophie Spencer and Eddie Hinchcliffe, Eddie had the honour of setting off the 372 senior runners. Besides Little Miss Sunshine two other juniors Lewis Hodgson and Angel Smith ran in fancy dress both appropriately dressed as **Soreen** malt loaves, all three received more malt loaf and a box of Heroes chocolates each. **Soreen** goody bags were enjoyed by all the junior runners and malt loaves, Go bars and chocolate were thrown in the air after the junior prize giving. All the junior and senior category winners collected a signed picture of Yorkshires very own world champion triathlon brothers Alistair and Jonny Brownlee. Thanks to **Soreen** for their continued support which makes this race very unique and popular, that's why it's affectionately known as the Malt Loaf Run!
