9	Eibhlis Price Wharfedale	7.06		19	Anna Petrucci U/A	9.00	
10	Sam Greenep Settle	7.17					

## GARGRAVE SHOW FELL RACE REPORT

The fell races at Gargrave Show are going from strength to strength with competitor numbers increasing each year. There were ninety two entries in the Senior section on Saturday and one hundred and sixty in total when all the Junior numbers were added together. The race features one of the best multi terrain courses in the North of England and is suited to runners of all abilities.

Richard Mellor a veteran runner had travelled from High Peak in Derbyshire especially for the race and fifty seven year old Brian Davey a member of the Southport Waterloo running club had made the journey from his North West coastal town. Emma Craig had made a long trip from North of the Border and the Commonwealth games City of Glasgow. She joined her brother Jimmy Craig who lives more locally at Hel-lifield on the start line. Twenty four year old Jimmy is a member of Barlick fell runners and is enjoying an excellent season and he dominated the race from start to finish. His diminutive frame seemingly carrying an exceptional lung capacity! Jimmy was awarded the Silentnight trophy for his endeavours which has been held in the past by the fell running legends of yesteryear; Reeves, Sedgewick, Stuart and Hawkins to name just a few.

Second place went to twenty two year old Duncan Birtwhistle of Bishop Monkton, a member of the University of Bristol Orienteering club and a former member of the British Junior world Orienteering team. Third position went to Julian Hood a Barlick fell runner who lives in Skipton.

First home for the ladies was a former English junior fell running champion, Wharfedale Harrier Emma Hopkinson who was in overall seventeenth position. First local was William Beckwith of Gargrave in a very impressive ninth position overall.

The Junior section even had competitors from Colorado in the USA so Gargrave show fell race can now officially say it attracts runners from all over the World!

Horwich RMI Harriers had included the Gargrave show fell races in their Junior fell running championship points race calendar. The Bolton based club was established back in 1924 by a group of enthusiastic

workers from Horwich Railway Mechanic Institute. Seemingly the clubs links with the railway was so strong that the clubs running colours were taken from the red of the engine and the black of the wheel trims, hence the black and red running vests of today. Many of the Junior runners from Horwich also had their parents running in the Senior race which seemed to be a strong feature throughout the event. Pleasing to know that the races have a strong family ethic.

Brother and sister, Will and Katie Atkinson of Gargrave are both members of Keighley and Craven running club and they both won trophies in the local race section. Katie is a pupil at Skipton girls High school and is a North Yorkshire Cross Country running champion, she has also tasted success in the 800metre event at the Yorkshire track and field championships. Katie was the first girl in the under fourteens race but nearby neighbour ten year old Charlotte Barrett was first girl in the under twelves race therefore the Weatherill trophy for the highest placed local female was presented to both girls. Charlotte is a member of the Wharfedale Harriers and is currently enjoying a successful season on the BOFRA fell running circuit and she can look forward to taking part in school athletics competitions when she moves to secondary school in September.

Kates brother Will is beginning to put increased pressure on his fellow competitors and he was second in the under twelves race so he was awarded the Donald McKell trophy for the highest placed local Male from any age group.

Members of the local running clubs took top honours in most of the Junior sections. Wharfedale Harrier Nathan Caunt from Carleton won the boys under nines race. Maggie Hudson from Skipton and a member of Keighley and Craven running club was first girl. The under twelves race was won by Louis Hudson, one of Maggies elder brothers whilst another brother Joe Hudson was second in the under fourteens race. The winner of the latter race was Euan Brennan a member of Ilkley Harriers. Wharfedale Harrier Thomas Nelson led the under seventeens race home in prompt style.

An enjoyable event which took place in near perfect running conditions but an event which is only made possible by the kind co-operation of the landowners, race marshals, race commentator and timekeepers.

John Thompson (07850 318137) the race organiser is aware that it can be quite expensive to pay the admission charges to the Showfield particularly for those with larger families therefore next year there will be a system where admission tickets can be purchased pre the day at lower rates.
