

29TH MARCH 2016 BUNNY RUN ONE 3MILE/300FT

277 runners braved the wet, cold and windy conditions for Bunny Run One, with Tom Adams and Katie Walshaw once again dominating proceedings. Tom had to work hard to win his 16th Egg Stage with Jack Smith intent on breaking him, but Jack's legs gave way at the vital push towards the line as Tom stretched his legs, a mere second separated them. Tom then cruised to his 10th BR victory, whilst Jack Wood also from Ilkley Harriers ran a strong race to finish second with Jack Smith third, suffering Egg Stage lactic acid. Christian Holmes ran a brilliant race to win the V40 Bunny Trophy and finish fourth. Jack White once again travelled up from Norfolk to compete and finished first BU16 and a very impressive eighth overall with William Thompson taking the BU14 awards. 53 year old Steve Hunt won the V50's, John Bassinder the V60's and Malcolm Coles the V70's. Ilkley Harriers with Tom, Jack and BU16 Euan Brennan in 15th easily won the mens team.

* I first developed an interest in fell running around eight years ago while in the Lake District at a friends wedding, I had spotted a book in a shop window in Keswick called, Feet in the clouds. I found myself reading about a man from Keigley called Ian Holmes who was the best fell runner in Britain. I was inspired, so I began running but it was a year later when I ran my first race. A friend of mine had told me there was this race on Penistone Hill named the Bunny Run and that I should do it. I remember thinking I was going to win as I thought it would be a small event. I went off like a rocket. I was leading the race and in front of Ian Holmes after 100 yards and then it hit me going up the hill. I remember thinking I can't breath and why is everybody passing me. I think I came about 80th. I've learned a lot about running since then from Ian and many others in the sport. In tonight's race I had started badly, I found myself well down the field and struggling to get round the masses. As the race developed at the front I was steadily making my way through the field, I just seemed to keep passing people. What I couldn't understand though was why I seemed to be catching Jack Smith a talented young runner and a friend. It wasn't until after the race that I realised that Jack had actually raced Tom Adams for the short lap known as the Egg Stage. This had pushed Jack and in fact Tom into the red, Jack was struggling to recover for a while having sprinted so hard early on. I was amazed to finish fourth behind Jack and first V40. My Mother who sadly passed away the day before the race was a very strong minded person and a positive thinker. She installed confidence in us from an early age. She made us believe we could achieve anything if we put our minds to it. I'd like to think she powered me round the run. On a wet night in muddy conditions something made me run faster than I normally can without tiring or feeling pain," said Haworth antique dealer Christain

Bunny girl Katie Walshaw returned to win the Egg Stage for the 17th time and win the race for the 16th time finishing 21st overall. Fresh from winning the Lancashire GU14 fells championship the previous day Briony Holt finished second overall and first FU14 with another FU14 Alice Jones only 11 seconds behind in third, impressively Alice even wore bunny facepaint and ears. Ruby Sykes in fourth and Jordan Mullinger in fifth along with winner Katie, made it a winning night for Holmfirth Harriers in the ladies team prizes. Sixth overall was first FV40 Kirsty Hall, Laura Knowles won the FU16's, Kath Brierley won the FV50's and Margaret Jagan the FV60's. Hope you all enjoyed seeing the new structure on the West End Quarry car park near the cricket ground our winter venue, don't worry it's not staying. The BBC are building a mock up of Bronte Parsonage for a TV drama about the Brontes, once done it will be very impressive, keep your eyes on it while the series is running. Been told it's only staying there until the end of May, filming dependant on the weather of course. The night was ended with the chaos and mayhem that is the legendary chocolate throw out, if you didn't catch anything, get some practice in for next week. See you all for more Bunny Mayhem next Tuesday remember 7-15pm start!!
