

FRA Senior Event Entry Requirements and Form, 2020

Entry to all events must be by a process which collects at least the following information and requires the runner to sign, or acknowledge electronically, that they accept the disclaimer. Additional information can be collected at Race Organiser's discretion.

This document applies to senior (18 or over) runners, whether members of the FRA or non-members.

Printable versions of the standard forms (both member and non-member versions) are available here, and also separately on the FRA web-site. The Race Organiser may wish to tailor the standard forms to his/her race (for example to clarify the U/21 and U/23 age criteria).

Information

- Event name
- Minimum age for entry
- Full name, gender, club and date of birth of entrant. (Race Organisers may wish also to collect the age of the entrant and ask them to indicate their senior/veteran category from a list).
- Whether the runner is a member of the FRA and, if so, FRA membership number (optional for 2020).
- Address (including postcode) and phone number of the entrant.
- The registration number of their vehicle
- An emergency contact name and phone number.

Age categories

Conventionally all age categories above 23 are defined as age on day of race.

FRA English Championship races define U/23 as age on 31/December of the year of the race. This is to provide continuity with the Junior age categories which also use age at end of year as the criterion. For races not in the Championship the Race Organiser may use 'age on day' for U/21 and U/23 runners at his/her discretion, but this should be made clear at registration to help runners complete the entry form.

Management of Personal Information

The race entry process collects personal information, and runners must consent to its use.

Normal uses of this information are:-

- To link names and clubs to race numbers, competition categories and times,
- Communication with runners for example to give an update on the race organisation, advice on parking or some special requirement,
- Publishing race results, and sometimes pre-entry lists,
- Contact the runner after the event to progress issues, complaints or disputes.

Consent to using the runners' personal information in this way is given via the following disclaimer line:-

I consent to publication of my name, club, race category, race number, finishing time and race position in race pre-entry and results lists.

Race organisers may sometimes wish to use this personal information for other uses, such as:-

- To contact the runner in the future to advertise future events.
- To pass on to other parties, including sponsors and organisers of other races.

The standard disclaimer covers only the first 4 uses of personal information, and if the Race Organiser intends to use it for the last 2 purposes an additional consent statement is required (not included here).

Disclaimer

The following words must be used. The Race Organiser may add additional requirements.

I accept the hazards inherent in fell running and acknowledge that I am entering and running this race at my own risk.

I confirm that I am aware of the rules imposed on me by the Race Organiser and that I will comply with them.

I confirm that I have read and will comply with, the "FRA - Requirements for Runners".

I acknowledge and agree that I am responsible for determining whether I have the skills equipment and fitness to participate in this event.

I accept that neither the Race Organiser nor the Fell Runners Association shall be liable to me for any injury, loss or damage of any nature to me or my property arising out of my participation in this race (other than in respect of death or personal injury as a result of their negligence).

I consent to publication of my name, club, race category, race number, finishing time and race position in race pre-entry and results lists, and to the sharing of all the above details with trusted partner organisations (e.g. UK Athletics) for disciplinary purposes or otherwise where necessary in the interests of the sport.

If the race will be photographed or filmed by the Race Organiser to record proceedings (for example a video camera recording the finish), then the following should be included:-

I accept that the Race Organiser may use photographic or video equipment for the purpose of monitoring the race.

Confirmation of acceptance

The entry form must be signed and dated by the entrant, or an equivalent electronic acknowledgement received, before allowing entry into the event.
