## **RACE REPORT**

A record turnout, accompanied inevitably by an increase in injuries which led to some difficulties with our results – hence the delay in getting them out.

We also have a new ladies' record, Kate Beaty's great achievement last year in taking over two minutes off Nicola Davis' long standing record fell to tenth placed Chris Howard of Matlock.

But you can't hold a good woman down and Kate, second lady overall, led an all veteran CFR ladies' team – Lyndsey Buck and Dot Patton being the other two counters.

In the men's race, record holder Simon Booth was an easy winner, with his Borrowdale team mates Jonny Bland and James Archbold following in, respectively, second and thirteenth places. It should be noted here that Archbold did suffer a slight disadvantage, having lost the sole of one of his shoes on the final descent.

My thanks to: our sponsors Pete Bland Sports; Jill and Duncan Stuart for their usual high standard of hospitality; the Keswick branch of the St John Ambulance Brigade; everyone who helped with marshalling, registration and results; and last, but not least, everyone who competed, or came along to provide support.

Allan Buckley
