Well done to all of the runners who took part in this year's event, in far from good conditions. Heavy rain failed to dampen the spirits of this year's outstanding field of quality runners. Dark Peak fielded a very strong team of runners but Sale runner Paul Green managed to hold them off and finish ahead of Rob Barker and the youthful vet Dave Taylor who finished second and third respectively. The ladies were led home by Rebecca Avanesian of Manchester YMCA closely followed an improving Jane Hogson of Saddelworth. Penistone who used the race as a championship event saw Ian Charlsworth claim all of the points in a respectable time of 1:22:45. A closely fought out race was between the senior ladies Bernice Nixon of Penistone, Jill Davis and Sue Heywood of Saddelworth who were separated by on 16 seconds from claiming the glory. Team prizes went to Dark Peak Men and Saddelworth Ladies. Many thanks to all those who took part in the event and all those who with their outstanding assistance made the event so successful.
