Team Results

Men – Todmorden, 23 points (A Wrench, C Smale, J Wright, S Godsman).

Women – Clayton le Moors, 204 points (V Peacock, A Athroll, L Lord).

The 12th Waugh's Well Race, sponsored by Norman Ward of Bury Motor Bodies, had perfect weather and reasonable conditions under foot. Many thanks to all those who took part – not only the competitors but those behind the scenes, flagging the course, taking entries, refreshments, car parking and of course, Rossendale Search and Rescue Team – making the whole event so enjoyable.

Darren Kay was the only competitor to break the 30 minute barrier but Andrew Wrench's record of 28.55 was left intact for another year. Vanessa Peacock, although not having raced much recently, again lead the way home, having over 5 minutes in hand over Donna Allen. Chris Smale headed the veteran field with an excellent 5th place overall. Ken Taylor, in 22nd place overall, took 57 seconds off Pete Jepson's V55 record which had stood for 7 years.

An item of clothing was left at the start/finish area; please contact me on 01706 824097 to claim this.

Finally, thanks once again to all those who took part, hopefully see you all next year!
