Congratulations to Karl and Christine both first time winners of this race. In spite of the rain, hail, sleet and bitter wind people ran good times. 208 started and 201 finished. So many runners asked me to thank the marshalls and I have received a letter of thanks and e-mails thanking them for their commitment, humour and friendship on the course and at the start and finish. I thanked them all as they came back to registration with their tags. Not one had lost their humour, they all had smiles on their faces. Minor probs at the finish recording times and numbers with the showers soaking the paper but can solve that easily for next year. Thanks to Pete Bland Sports for the numbers and generous discount with the prizes. Next years race will be on Sat. 17th. November, the Village Hall is already booked, Mrs Weatherell will put soup, tea and cakes on again at reasonable prices.
