

28TH JANUARY 2007 24TH SOREEN STANBURY SPLASH 7M/1200FT

Former England junior international, Helen Glover, now 22, made a major step forward by winning the 24th Soreen Stanbury Splash in gale force winds from Stockport's talented Estelle McGuire, and Ali Richards, she was **'well chuffed'** with the surprise result. A doctors receptionist in Skipton, last year Helen finished 2nd in the BOFRA fell championships, and was 4th at the Auld Lang Syne, so with this result the 2007 season looks promising. On the day Helen couldn't put a foot wrong, since she also won the local ladies award, and astonishingly even won one of the Soreen cycle tops which will be personally signed by Olympic cyclist Chris Hoy. Welshman Paul Oldfield was the other winner, in the prize draw to all competitors who took part. First local man was top Aire Valley cyclist Robin Bradbury who won the trophy for the 4th time in 12th overall, having the edge on 6 times winner Colin Moses in 14th. The grand master of Haworth Moor Ian Holmes won the race for the 13th time, even though he had run the Northern X-Countries the previous day finishing 30th and first Bingley Harrier. Relative unknown's Ricky Graham, 26 and Stuart Carmichael, 35, finished second and third, these two should be names to watch for. Ricky originally from Northern Ireland is a trainee teacher at Manchester University, and won the silver medal in the British under 19 championships in 1998 behind England's Michael Caton. Stuart meanwhile is a convert from the roads and won a Trunce race, but found the Scafell race a real eye opener! Ian's son Louis won his first Quarry Run the U8's race, from Thomas Sumner, Jack Garside and William Pallister, whose dad Richard was a mean fell runner in the early 90's. U14 winners Matthew Nash and Rosie Hellawell had the honour of sending the 250 seniors that took part on their merry way. Congratulations to winners Chris Nash, BU12, Phil Done, BU10, Lucy Worrall, GU12, Katie Handforth, GU10, Beth Robertson, GU8, Henry Fulton, BU16 and Sarah Wilson, GU16 from the 70 juniors in these races, which to the runners are affectionately called the Malt Loaf Runs, due to the energy giving Soreen product which each senior and junior runners receive.
